3. That from and after the passing of this By-Law, all swine, goats, horses, horned and other cattle, except milch cows and sheep, which shall be allowed to run at large from 6 a. m. to 6 p. m., mules and asses, found at large or straying in any public highway within the limits of said district, shall be deemed a nuisance and may be dealt with as hereinafter mentioned.

4. All animals so found at large, grazing or straying as aforesaid, within the limits of the said district, may be taken by the Pound-keeper, or his Deputy or Deputies, who shall impound the same in the Municipal Pound.

5. A book shall be kept in which shall be entered by the Pound-keeper, or his Deputy, with all due speed, a true and faithful record of the number of the animals impounded, where they were found at large, grazing or straying, also of the date of their receipt, and the date and manner of their disposal, and if sold the name and address and addition of each purchaser thereof.

6. Every animal impounded as aforesaid, shall forthwith be advertised by a notice in writing posted in a conspicuous place on the Pound gate, and also at the office of the Clerk of the said Municipal Council. Such notice shall contain a reasonable description of the animal, the date and hour of the impounding thereof, and shall specify when and where the same is to be sold, and shall be kept so posted for the space of three days.

7. All animals impounded shall be properly housed, and shall be furnished with the necessary sustenance while so impounded, but no animal shall be fed until six hours after the impounding of same.

8. A fine not exceeding the sum of two dollars may be levied or collected on or in respect of each animal impounded, and a further reasonable sum for the sustenance of such animal, after the said period of six hours, not exceeding in the case of each pig, goat, or sheep the sum of twenty-five cents, and in the case of each horse, mule or ass, or horned or other cattle so impounded, the sum of fifty cents for each day or part of a day such animal shall be or continue so impounded, may be levied or collected thereon and in respect thereof, in lieu and in satisfaction of all charges for the housing and sustenance thereof.

9. The owner of any animal impounded may, at any time prior to the sale or other disposition thereof as hereinafter provided, have the same released upon the payment to the Clerk of the Municipal Council, or the Pound-keeper, of the fine, charges, and any expenses chargeable thereon under the authority of this by-law.

10. Every animal so impounded as aforesaid, which shall not have been redeemed within seven days from the day on which it shall have been advertised as aforesaid, may be offered for sale by public auction at the

place and time in manner hereinafter appointed, and shall be sold to the highest bidder, who shall thereupon become absolute owner thereof, any law to the contrary notwithstanding.

11. Public auction for the sale of animals to be sold under the authority of this by-law shall be held at the said Pound, or at such other place or time as the said Municipal Council, by notice signed by the Clerk of the said Council and posted on a conspicuous place on the Pound gate for a space of ten days shall, from time to time, previously appoint; and no such animal shall be sold except at such auction, and such sale shall be conducted by the Pound-keeper or his Deputy, or such other person or persons as the said Municipal Council shall from time to time appoint.

12. The proceeds of every such sale as aforesaid shall be applied as follows:—In the first place, as Municipal revenue, in or towards paying, satisfying and discharging the fines, charges, rates, sums and expenses imposed or authorised to be levied or collected under this by-law, and the balance (if any) of such proceeds shall be carried to an account in the books of the said Municipal Council for the use of the owner of such animal, subject as herein mentioned.

13. If the money to arise on the sale of any animal as aforesaid shall not be sufficient to satisfy the amount which shall have been chargeable thereon, the amount due to the Corporation in respect of the impounding and feeding of such animal, which shall have been sold, shall be deemed a penalty, and shall be recoverable from the owner of the said animal.

14. By-Law number nine, known as the "Chilliwack Municipal Pound By-Law, 1890," and by-law known as the "Chilliwack Pound By-Law Amendment By-Law, 1891," are hereby repealed.
